7th Grade Parents

Mr. and Mrs. Orley have volunteered to coordinate this year's graduation reception; thank-you! Once we have things planned out we will let all the 7th grade families know how much money they should contribute for the reception. Thank-you for helping us honor our graduates!

Popcorn in Class

I do allow students to pop popcorn for snack in class, but I ask that you please only send in single-serving bags for students to pop.

This way the popping goes faster and the eating does, as well. This will also discourage students sharing their food, which we are not supposed to be doing during our pandemic restrictions. Thank-you!

Upcoming Events

Honor roll announced at Chapel	4/9
Report cards home	4/9
No school; teacher work day	4/23

8th Grade Parents

It's time! Please find 15-20 photos of your graduate that you'd like included in the slideshow. The Plested family have volunteered to put the slideshow together for us; thank-you!

Please send all photos to me as jpegs via email or Google Drive by Monday, April 12. Thank-you!

8th Grade Parents - Graduate Shout-Out

We'd like to have a Graduate Shout Out page in our yearbook! Could you please get me a young photo, current photo, and a message for your graduate to me by Monday, April 12? I think this will be a special way to honor our grads!

A sample is attached to the newsletter email. Each shout-out will be 1/4 of a page.
