Math and Science

Math: This is our last week of following the curriculum with our math lessons! **WHOA!** We will be working on finding fact families, finalizing our practice with subtraction facts, using base ten blocks to represent place value, and taking our **FINAL TEST OF FIRST GRADE!**

Science: We are wrapping up our final unit in Science: Space. Our chapter review will go home so that we can take the test next week. I'm still hoping to make a solar cooker 😊

6/11
Fri

LAST DAY OF SCHOOL
(Half day dismissal @ 11:30)

6/21
Mon
