

OCTOBER

What have we been up to?

ITBS Testing: This month all students in grades 1-8 will be taking the Iowa Test of Basic Skills. Please make every effort to have your students at school each day. A few notes about testing:

A good night's rest, a good breakfast and a healthy snack are still important for testing.

Students who miss class during the testing window will have make-up tests scheduled.

Grammar: We have finished up our first grammar unit on Nouns and are moving on to Pronouns. Each day we practice breaking down sentences. We identify: the subject, verb, and objects at this point.

REMINDERS

- 10/17-21: ITBS Testing
- 10/28: No School – Teacher Training
- 10/28: All Corrections Due
