NOVEMBER LIFE SKILL

During the month of November, we will evaluate things that bother us to determine best responses to them. Some things we can let go, or handle ourself, and some things we need to get adult help for.

With Thanksgiving approaching, we will also focus on gratitude.

EVENTS

Nov 18

Report cards go home
SHOW AND TELL: OLD THINGS

MATH

This coming week in math, we will learn more about pennies, count sets and find the matching number and describe objects using 2 to 3 attributes. We will also learn about digital and analog clocks, focusing on telling time to the hour.

BIBLE

This week, we will learn about stepping out in faith as the Israelites come to the promised land and prepare to cross the Jordan.
