

11/14- 11/18 1st Gr.

# newsletter

## Math:

We will find a sum by counting on, reading a bar graph, take our 7th assessment, add 0 and 1 to a number, cover a design in different ways, and count to 100 by tens.

## Reading:

Brian's Trip, Life-cycle books  
Decodable readers and guided readers

Writing: Journal and Autobiography

Spelling: box, cobs, cots, fox, has, jobs, lock, mop, ox, sobs  
challenge: shop, those

Sight words: these, be, his, that

## Science:

We've learned what classifies a mammal as a mammal. We've learned that each mammal is unique and has different external parts to help it accomplish survival tasks. We will now learn about life cycle, babies vs. parent, and woodland mammals.
