

JANUARY

What have we been up to?

Welcome back! I am happy to be back with the students to begin the new year and look forward to the remainder of the school year. I know your students are excited to be back and see their friends again. Registration for the 2023-2024 school year is now open. Please refer to Mr. Johnson's email or stop in the school office for any forms.

Science: we are currently working through a chapter on ecological succession. Ecological succession is the natural cycle ecosystems go through to restore balance.

REMINDERS

- 1/23-27: Lutheran Schools Week
- 1/26: Open House 6:30-7:30p
- 1/27: No School – End of Quarter 2
- 1/29: National Anthem at Kwings

Notes from Mrs. L

Monthly Focus

School wide: Honesty

Classroom: Integrity
