

1/23- 1/26 1st Gr.

newsletter

Math:

We will ID ordinal position to the 30th, write money amounts using the cents symbol, divide a square into halves, and solve subtracting 2 facts.

Reading:

Super Market
Decodable readers and guided readers

Writing: Marketing plan for First Grade Supermarket, opinion writing, journal

Spelling: NO SPELLING LIST

Sight words: school, play, we, teacher

Science:

We will discover the different ways plants protect themselves which includes poison, thorns, spikes, etc. We will also try to start growing our own seeds. We will watch the roots form(hopefully) and see seedlings(hopefully).
