newsletter

Math:

Have you asked your kid about the word congruent?

We will take out 16th assessment, add two digit numbers with regrouping, tell time to the half hour, divide a shape into fourths, and add 10 to any number.

Reading:

Family Tree

Decodable readers and guided readers

Writing: Persuasive writing

Spelling: beef, feet, cheese, green, me, we, basket, fabric, happen, napkin

Sight words: about, other, been, see

Science:

After learning about sound, we will not explore the properties of light. We will learn about the path of light and see what amazing things God has created to shine His light. We are lit up!
