

3rd Grade Monthly News

May/June 2023

From Mrs. Ruesch

Can you believe this is our last newsletter of the year?!? The end of the school year is one of my favorite times of the year...when we get to have some closure together and celebrate all we have learned and how much we have grown over the year!! As this is my last end of school year with my own class, I am even more excited and sentimental about ending the year together strong and enjoying our last several weeks! Thank you for sharing your child with me and for all your support this year!
