

SEPTEMBER

What have we been up to?

Geography: I have broken the Geography chapters down this year and students will have a quiz after each lesson. We will spend 5 days on each lesson and have a quiz on day 6. We go through the lesson multiple times but notes aren't written until day 4. We will review together on day 5 before the quiz on day 6.

Science: Each Science chapter consists of 8 lessons. After each chapter we will have a chapter test. Students should study their notes, vocab. sheets, and their workbooks. At the end of the chapter we will do a review which will be in their workbook.

REMINDERS

9/15: PTL Parking Lot Party 5-7p
9
10/16-20: ITBS Testing

Notes from Mrs. L

- Please Review your students homework with them each night
- Students should spend 20+ minutes each night studying
