

9/18 - 9/22 1st Gr.

# newsletter

Math: We will locate sides and angles of a triangle, make a shape on the geoboard and identify inside and outside, act out and draw pictures for “Some, some more” and “Some, some went away” stories, complete Assessment 2, sort by a single attribute, and practice counting pennies

Reading:

Dragons and Giants(Frog and Toad)

Writing: We will be finishing our Community book (informational writing) It will be bound and sent home before the end of this week

Spelling: at, sat, map, tap, pad

Sight words: and, as, has

Science:

How do we solve problems? So many times in our day we need to use problem solving skills. Thank God that He gave us the ability to do so! I pushed back the Unit One test, and it will be on Wednesday or Thursday. The Chapter review will be in the folder on Monday(tomorrow).
