## October

### CLASSROOM NEWS

#### Language Arts:

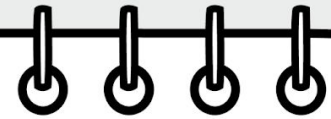

The class has been busy with their independent reading! This Month we will complete our first Book Reviews. I can't wait to hear their recommendations! In grammar, we will wrap up our Noun study and begin pronouns. We continue to discuss text evidence, point of view, key details and main idea in Reading. We will draft and publish our personal narratives too!

**Math:** Each day, we are practicing multiplication fact fluency. They have done a great job increasing in both speed and accuracy. We will continue work with regrouping, missing addends perimeter, geometry concepts and problem solving techniques this month,

**Social Studies:** We will continue to learn more about our Nation's History this month.

**Science:** We are learning about how God has organized all living things and systems of the world. We will explore how scientists classify living things in order to learn more about them.

**Bible:** We started at the beginning and are working our way through the Old Testament. We are learning what it means to trust God like Abraham and about God's faithfulness. We will be learning about Isaac, Jacob and Joseph in the upcoming weeks.

### EVENTS

- The week of October 16th your child will be given the Iowa Test of Basic Skills.
- October 30: Reformation Day Party!. If you would like to help us with supplies, please sign up using the link below. Costumes will not be worn. But we can't wait to see them at Trunk or Treat on October 28th.

### TO-DO

Sign up [here](#) to help us with supplies for our Fall Classroom Party!

Thank you for your help!

### REMINDERS

Don't forget to check our weekly email updates for important quiz dates and other information.

On Fridays, the students are working with Recorders in Band. Please make sure they have them every Friday for class.
