

1/22- 1/26 1st Gr.

# newsletter

## Math:

We will, take our written assessment 12, review ordinal positions, write money amounts using symbols and “pay” for things using dimes and pennies. We will divide a square into halves, and subtract two from a number.

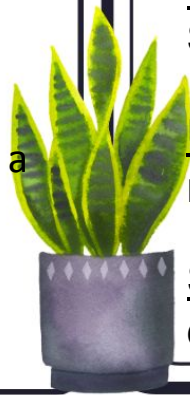

## Reading:

SuperMarket, Goods and Services  
Decodable readers and guided readers

Writing: Marketing plan for First Grade Supermarket, journal

UFLI focus: VCe expectations, and reading and spelling words with -es

Sight words: by, my, see, one, once, two, does

## Science:

Movement and Sound. My tuning fork was a hit! We will have a music expert come to us and share what he knows in Feb. We will continue in our books until then and learn about pitch and size and work in centers! Hands on learning is so much fun.

## Announcements and Events:
