

2/26- 3/1 1st Gr.

newsletter

Math:

We will take our written assessment 16, add two digit numbers with regrouping using dimes and pennies, tell time to the half hour, divide a shape into $\frac{1}{4}$, and add ten to any number using the hundreds chart.

Reading:

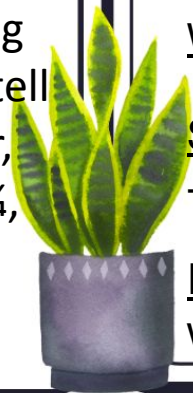

My Family Tree
The Giving Tree
Decodable readers and guided readers

Writing: opinion paper, maple syrup book

Spelling: lessons 71&72

-tch and -dge review, Long VCC

Irregular words: friend, because, woman, women, both

Science:

We will be reflecting the light of Jesus on our friends this week as we learn about the reflection of white light and laser light. Light travels in a straight path, but can be redirected depending on the surface.

****A special guest will come to help us tap trees****
