newsletter

Math: We are continuing our fact family practice. We are learning about numbers that add up to 9,10,11, and 12. We will find missing addends, and talk about finding the difference. We will also continue learning about “counting on” to solve addition problems.

Reading:
Decodable texts

Writing: Finish our autobiography

UFLI focus: Digraph review, wh/w/ and ph/f/

Sight words: they, their, were, walk, talk, could, would, should

Science:

A field trip is in the works to tag on to this fish and bird unit. Woop Woop! We will learn more about the characteristics of birds and fish since ITBS took over last week. Last week's plans are this week's plans.
