

4/14- 4/17 1st Gr.

# newsletter

## Math:

FRACTIONS! We will be able to identify parts of a whole, write fractions, see whole shapes within other shapes, and have so much fun doing it. I'll send a parent letter home to give more descriptions.

## Reading:

Picnic In October

Decodable readers and guided readers

Writing: Research about Family culture

UFLI focus: Lesson 89 & 90

oo,u spells /oo/ and oo spells /long u/

Irregular words: always, almost, floor, door, poor, son, won

## Science:

We are moving into the next subunit in our Human Body unit! We will learn what helps our bodies move and grow. How do we get strong and what is a skeleton?

## Announcements and Events:

We are in Holy Week

Mon-Wed 4/14-16 OPTIONAL

Parent teacher Conferences

Wed 4/16 School Spirit Day: PJ DAY

Fri 4/18 NO SCHOOL Good Friday
