LITERACY

PHONICS

We are finishing up our kindergarten phonics curriculum by learning about compound words and open syllables. (I think I sent an email last week about what an open syllable is and how it affects the vowel sound.) We will spend the next few weeks revisiting our illustrated decodables and I encourage you to reread as many as you can at home as well. It is fun to see how much they have grown.

LITERACY THEME

This week, we will do some world traveling, reading books about a few other countries in the world. We will read One Land, Many Cultures, On the Move, This is the Way We Go to School, and Homes around the World.

BIBLE

This week, we learn about Pentecost.

MATH 0 1 2 3 4 5 6 7 8 9 10

We are finishing up our unit on subtraction and starting our last math chapter, measurement including capacity, length and height, and weight.
