

5/27- 5/30 1st Gr.

newsletter

Math:

We will complete the last three lessons of the year! Addition and Subtraction, place value, and number sense are huge concepts in first grade. I strongly encourage you to find math in the real world for your soon-to-be second grader to explore and solve.

Reading:

Read alouds
Decodable readers
Guided readers

Writing: Editing Sentences and dictating, journal writing

UFLI focus: Lesson 104
prefixes: pre-, re-

Science:

I'm going to bring in some fun scientific experiments to try! We'll end the year with a "BANG".
