

8/25-8/28 1st Gr newsletter

Math:

There will be a parent letter sent home at the end of this week in your child's take-home folder.

We will be learning about order and procedure and patterns of the classroom until we open our books! .

Reading:

Picture books (will hit on beginning of the year feelings, community, God's plans for you, etc.)

Writing:

Beginning of the year samples

UFLI focus:

A parent letter with video explanation can be expected at the end of this week.

Science:

What even is a Scientist and what do you do to be a scientist? We will look into 2 very important things that ALL scientist do(Ask and Answer Questions). We'll even practice those skills and weave them into our daily thinking while practicing procedures and expectations.

Announcements and Events:
