BIBLE LESSON

This week, we go back to the old Testament for some lessons. We learn about Elijah. God provided for Elijah and the Widow in 1 Kings 17 God gives us everything we need each day, especially forgiveness through Jesus. (science connection--oil overflowing--actually it vinegar and baking soda) We will also read 2 Kings where Elijah is taken to Heaven. God blesses His leaders and Elijah was blessed in a very special way!

READING

This week in reading, we will focus on the letters j and y. Our decodable readers are The Jet and Yams! Yum! I will read **Bread and Jam for Frances** (and probably a few other Frances books because they are just so wholesome!). I will also read **The Giant Jam Sandwich, The Snowy Day,** and **I Dare You Not to Yawn.** New heart words this week are *was, are,* and *you.*

MATH

This week we will assess our progress of chapter 6 and begin chapter 7 which focuses on larger numbers, specifically numbers 11-100! We will learn that the teen numbers are a group of 10 plus 1 or 2 or 3 etc and so on. Tens are powerful math numbers!
