

4/13- 4/17 1st Gr.

# newsletter

Math:

We've begun our fraction lessons and seem to be doing well! We will continue our understanding by solving word problems, drawing and comparing fractions and finding missing fractional pieces.

Reading:

Planets + Our Moon  
Decodable readers and guided readers

Writing: Research about space project

UFLI focus: Lesson 90 & 91  
oo spells /long u/ and ew, ui, ue /long u/

Irregular words: floor, door, poor, son, won, month

Science:

I am planning to have a "sensory" lesson on Monday. It's fun to learn about what information our body takes in through each sense. Our test will be next week and the review will go home at the end of this week.

Announcements and Events:

Mon-Wed 4/13-14 OPTIONAL  
Parent teacher Conferences  
Fri 4/17 Field trip to Provision Living  
Mon-Fri 4/20-24 ITBS testing

Bible Focus:

We will be witnessing the miracles of Jesus in our books and have the reminder that Jesus is still active and wants to help us in our lives today.

Show and Tell:

Bring something that shows fractions
