

5/4- 5/9 1st Gr.

newsletter

Math:

We will continue to see patterns when finding sums and differences.

We are using what we've learned and applying it to trickier problems. We are reviewing our math terms: addend, sum, difference, numeral, number, etc.

Reading:

Lady Liberty + Picnic in October
Decodable readers and guided readers

Writing: Journal, Editing sentences and dictating

UFLI focus:

Lesson 98+99 kn/n/, wr/r/, mb/m/ and -s, -es

Irregular Words: hour, minute, Monday, Wednesday, February, about, answer

Science:

I hope to have some extra practice brushing our "teeth" before our science test. If you have any old toothbrushes, bring them in! We will use them on fake teeth. After our test on bones and muscles, we will start talking about our heart, lungs, and other body systems and functions.
