

NEWSLETTER

Week Of September 7th

What are We Learning?

Language Arts:

- In reading we are enjoying the novel, *Frindle*, while discussing setting, character traits, sequencing and plot development.
- Grammar - Types of Sentences and Punctuation, Subjects and Predicates
- Writing- Personal Narratives

Science:

- Scientific Practices, Classification and Animal Structures and Their Functions

Math:

- Multiplication Fact Practice, Place Value, Standard Form, expanded Form and Rounding to the 100 Millions, Ordinal and cardinal numbers

Bible:

- God Blesses His Family of Believers
- Creation - Isaac

From Mrs. Heid

We are off to a great start this year! I have enjoyed getting to know your sons and daughters! Some things to note:

- Please check your scholar's take home folder each night to go over completed work and for homework.
- Approximately every 2 weeks we will have a new vocabulary list. Ask your sons and daughters about the new words they are learning. They can also receive Dojo points for finding the words "in the wild"
- Homework will consist primarily of any class work your child has not completed, or other projects (with advance notice).

Dates

- Fridays: Lab Days check out this [link](#) to assist us with materials.
- Fridays: Library Day
- September 18- Parking Lot Party
- Picture Day September 28

School Behavior Focus:

We line up with quiet voices, still hands, and safe space.

1 Corinthians 14:33
