BIBLE LESSON

This week, we will study the account of Jacob's journey and dream. The biggest and best takeaway from these lessons is that God really loves us and He desires to be with us. He will never leave us and will watch over us wherever we go. Praise God.

READING

We are reading sentences and writing words! We have mastered 5 letters; m, t, a, s, and p. We are working on 3 heart words...the, and, and I. This week, we will add another consonant and another vowel to the mix, f and i. Our theme is seasons and then and now. We will read stories called The Little House, The Seasons of Arnold's Apple Tree, The Old Things, and Life at Home. Next week, we will begin to read pages in books!

MATH

Next week, we begin a chapter on number sense. Our lessons will focus on counting and matching with one to one correspondence, counting the amount in a group and matching that amount to a number and determining which of two groups has more or less.

Our behavior focus for this week is "keep your hands and body to yourself." This means we keep our hands, heads, body, feet, to ourselves. Our chat is "Where do our hands stay? With ME! All DAY! The bible speaks to this behavior in Galatians 5:23 when it concludes the list of the fruit of the Spirit, gentleness and self-control, against such things, there is no law.
