BIBLE LESSON

Today, we talked about the 4th commandment. What I love about the 4th (or 5th if you aren't Lutheran) commandment is that it is the only one that comes with a blessing. "Honor your father and your mother, that your days may be long in the land that the Lord your God is giving you." There are blessings in our obedience to our God, and our authorities. This was a great lesson to talk about doing things the first time asked, "quickly, completely, and joyfully." We will talk about the commandments this week.

MATH

We are working on the number sense. Today, we counted sets and found the number that applied. This week we will find numbers before, after, and in between, make a graph of things in the neighborhood, and see how well we understood these concepts. compared amounts in each.

READING

This week in reading, we focus on the letter u and the short sound and the letter g. I will read Giggle, Giggle, Quack, Soup Opera and Duck for President (a nod to election day. The children will read The Pup and Gus the Dog.

UPCOMING EVENTS

- Nov. 6 Report Cards go home

BEHAVIOR FOCUS

This week we focus on keeping our desk and area clean. "Look at your desk, look at the floor. Clean it up, then learn some more." I was especially proud of our school at the WMU basketball game. We did a great job cleaning up after ourselves! 1 Cor 14:33
