Hello! Welcome to Week Eleven, and the start of Quarter Two!

Important Dates:

- Picture Retakes - Wednesday, 11/18

ELA

This week in ELA, we are working with our grammar books on Independent and Subordinate clauses and varying sentence structure. We will also be working with a short story entitled "Exploring the Titanic" and with our Unit 5 Vocabulary list. 7th grade's **spelling test** on words #1-10 will take place on **Wednesday, November 4th**. Please encourage students to study accordingly! **Please also note,** there were no spelling or vocabulary tests last week due to ITBS testing, meaning we will be in unit 5 this week and next.

History

Student's history tests from last week will go home in the next few days.

For the month of November in History, students will be working on a fun creative project about the First Thanksgiving. At the culmination of the project, and right before we go on thanksgiving break, they will have the opportunity to share their hard work with their peers. This project will take the place of one of our Quarter Two tests. **Please review the instructions and rubric** found under 11/2 in our History Google Classroom. Students will need to work on their projects at home and in class.

Please do not hesitate to reach out with any questions or concerns. I am always happy to help!
